Mr. Ghislain LE CAM
Rating agency AM Best

Ghislain Le Cam is a director in AM Best's analytics division. Based in London, he has oversight responsibilities for ratings coverage across the Europe, Middle East and Africa (EMEA) region, with a focus on large international composite insurers and reinsurers. He is also a lead in steering AM Best's environmental, social and governance (ESG) global agenda. Ghislain is a contributor to a number of external publications, and a regular speaker representing AM Best at insurance and financial services-related events.

Ghislain joined AM Best in 2010. He previously worked at the Financial Services Authority (the relevant supervisory functions now sitting with the Prudential Regulation Authority), covering the London insurance market, and at PwC in Paris. With extensive experience in the insurance and reinsurance industry across audit, financial advisory, regulation and credit rating, Ghislain's areas of expertise include financial analysis, risk and compliance, and ESG.

Ghislain graduated from Paris IX Dauphine University, where he earned a post-graduate diploma in finance. He is a Chartered Financial Analyst (CFA) and a member of the CFA Society of the United Kingdom. Ghislain is also a certified Financial Risk Manager, and holds a certificate in ESG investing from the CFA Society of the United Kingdom.
